EXPERIENCE

VHSMO | Startup | www.vhsmo.com

Apr 2025 – Dec 2025

- Created the world's first pocket retro camera with instant wireless image transfer via companion app
- Developed UI/UX for companion app and landing page using React.js and Framer
- Designed and executed content strategies tailored to Gen Z aesthetics on Instagram, generating 12.6K+ waitlist signups

UX/UI Design Intern, Prime Estates | Dubai, United Arab Emirates

Sep 2025 – Dec 2025

- Designed and developed a responsive website and mobile app using front-end technologies (HTML, CSS, and JavaScript)
- Conducted user research, wireframing, and prototyping using Figma to improve property discovery and user navigation

Business Analyst Intern, Aeropostale, Apparel Group LLC | Dubai, United Arab Emirates

Jul 2023 – Aug 2023

- Analyzed Aeropostale's online shopping ecosystem (website footfall (1.4M+ visitors/month), search presence, and keyword popularity trends)
- Proposed SEO improvements using keyword analysis, increasing traffic by 13% and rankings by 21%

PROJECTS

PICCO - H2AI Healthcare Hackathon, Georgetown University | People's Choice

Mar 2025

- Developed a voice-activated interface to help Parkinson's patients initiate and complete tremor tests independently
- Built a Firebase-backed React interface with a clean, information-focused UI to help doctors quickly access real-time Parkinson's patient data

Memora - Revolution UC 2025 | 2nd Place Overall + People's Choice

Mar 2025

- Built a wearable smart assistant with offline object and facial recognition to deliver contextual audio-visual reminders
- Trained an object/facial recognition algorithm locally on a microcontroller using Edge Impulse

WaveFeel - MakeUC 2024

Nov 2024

- Created a gesture-based browser navigation system for users with motor impairments
- Utilized Arduino, C/C++ & gyroscopes to translate and track sensor input into keystroke/mouse events on Windows

ACTIVITIES

Dahyabhai Foundation | Design Chair

Oct 2024 – Present

- Designed marketing and event graphics for a non-profit supporting underprivileged communities

UC Junoon | Design Director, Tenor

Sep 2024 – Present

- Competed at national events and representing Junoon, UC's south Asian acapella team, ranked 12th in the country
